

PRODUCT PLANNING GUIDE

Acrylic Frames

Plan the artwork. Confirm the specification. Approve the proof.

Measure the space

Send width and height with units, a clear surface photo and the intended viewing side. Include installation constraints.

Schematic only - not to scale

Planning guide - request the confirmed production template before final export.

Before you send your artwork

- 1 **Confirm your specification**
Confirm the surface, dimensions, material, finishing and installation needs.
- 2 **Prepare the right file**
Provide the original image and indicate the crop, border and visible face.
- 3 **Review the final proof**
Check viewing direction, fixing positions and clearance around important content.
