

PRODUCT PLANNING GUIDE

Clear Static Cling with White Ink

Plan the artwork. Confirm the specification. Approve the proof.

Measure the space

Send width and height with units, a clear surface photo and the intended viewing side. Include installation constraints.

Schematic only - not to scale

Planning guide - request the confirmed production template before final export.

Before you send your artwork

- 1 Confirm your specification**
 Confirm the surface, dimensions, material, finishing and installation needs.
- 2 Prepare the right file**
 Provide the cut path and separate any white-ink areas from transparent areas.
- 3 Review the final proof**
 Check viewing direction, fixing positions and clearance around important content.
