

PRODUCT PLANNING GUIDE

Magnetic Walls

Plan the artwork. Confirm the specification. Approve the proof.

Measure the space

Send width and height with units, a clear surface photo and the intended viewing side. Include installation constraints.

Schematic only - not to scale

Planning guide - request the confirmed production template before final export.

Before you send your artwork

1 Confirm your specification

Confirm the surface, dimensions, material, finishing and installation needs.

2 Prepare the right file

Use a clearly defined outline and identify the area that must remain visible in use.

3 Review the final proof

Check viewing direction, fixing positions and clearance around important content.
