

PRODUCT PLANNING GUIDE

Rollup Banners

Plan the artwork. Confirm the specification. Approve the proof.

Frame / edges / display space: confirm

Fit the display space

Confirm the selected display model and visible area. Show the venue space, entrances and any height restrictions.

Schematic only - not to scale

Planning guide - request the confirmed production template before final export.

Before you send your artwork

1 Confirm your specification

Confirm model, dimensions, print sides, frame and installation needs.

2 Prepare the right file

Use the actual hardware template and keep key information clear of bases, seams and support areas.

3 Review the final proof

Check visible artwork, frame coverage, joins and any areas hidden by fittings.
