

## PRODUCT PLANNING GUIDE

# Wall Mounted Signage

Plan the artwork. Confirm the specification. Approve the proof.

## Measure the space

Send width and height with units, a clear surface photo and the intended viewing side. Include installation constraints.

Schematic only - not to scale

**Planning guide - request the confirmed production template before final export.**

## Before you send your artwork

### 1 Confirm your specification

Confirm the surface, dimensions, material, finishing and installation needs.

### 2 Prepare the right file

Provide an approved location plan, destination names and arrow directions for every face.

### 3 Review the final proof

Check viewing direction, fixing positions and clearance around important content.
